Judy Kincaid – 2004 President

Judy started The Apprentice School in September 1998 as an Outside Machinist. In October of 1998, she joined the ASSA and served on the Yearbook Committee. In June 2001, Judy qualified for the Design Apprenticeship while remaining an active member in the ASSA. In 2003, she was elected to the Executive Council as Vice President. Judy finished her Apprenticeship in May of 2004 while serving as the President of the ASSA for the entire year. Judy stated that her time with the ASSA gave her many opportunities. She met a lot of wonderful people, attended two leadership conferences in Florida and Washington DC that were very informative, and spoke to new apprentices accepted into The Apprentice School. Judy went on to say, “I think one of the most rewarding events that I was able to participate in was the Christmas Party for Sarah Bonwell. I was there almost every year that I was in the ASSA and it is definitely one of the events that I will miss the most.”
