Linda started The Apprentice School on March 4, 2002 as a shipboard electrician. In 2004, she became an ASSA delegate, served on the publications committee, became a certified student leader at the National Conference on Student Leadership in Washington, D.C., and became a top ten delegate. In 2005, Linda served on the Executive council after being elected ASSA Treasurer. During her apprenticeship, she was also elected Homecoming Queen, served as the SME Co-Chair, became a member of the student section of the JAYCEES, served as a Make-up Supervisor, was a part-time Recruiter for The Apprentice School, and participated in the WTKR “Your Future” commercial for The Apprentice School. Outside of The Apprentice School, she was a Calvary Chapel Church: Multi-Media member, a Harvest Fest Community Project member, and a Volunteer at Peninsula Rescue Mission. Linda says of her Apprenticeship, “It was very rewarding and adventurous. Becoming an Apprentice challenged me in areas I was afraid to venture.” For her efforts she became the second recipient of the James P. Healy Community Service Award at the 2006 graduation ceremony. Linda is working as a VCS Electrical Planner in X87 and is pursuing her Bachelor’s Degree in Business Administration at Strayer University.
