Degrees and Awards

Jaycee Degrees

The Apprentice Jaycees Degree Program is designed to provide leadership training to individual members and the chapter by encouraging member participation. The program consists of three phases divided into 10 degrees. After each degree and phase is completed, Jaycees are nationally recognized for their achievements.

The degrees program is divided into three phases:

Phase 1, **INVOLVEMENT** (Degrees 1 to 3): The first three degrees provide newer Jaycees with opportunities to participate in orientation, training and community awareness activities, allowing members to get the “Jaycee experience.”

Phase 2, **EXPERIENCE** (Degrees 4 to 6): The subsequent three degrees are designed to let Jaycees use their experiences from the first phase to develop skills in activation, action and recruiting.

Phase 3, **LEADERSHIP** (Degrees 7 to 10): The final four degrees use the participants’ training and leadership skills gained in involvement and experience in phases I & II.

In the month of August one Apprentice Jaycees was awarded Phase I Involvement degree. Let us take the time to congratulate **Elisa Davis** on her wonderful accomplishment:

Treasurer Thatania Taylor (left) presented Individual Development VP Elisha Davis with her 1st degree

Individual Development VP Elisa Davis presented:

Jaycee Member Chelsee Mooring with a July Jaycee of the Month certificate for creating the Adopt a Center Program with Doris Miller Community Center.

Advisor Linda McMillian presented:

Elise Feldt with a certificate of appreciation for her support, outstanding customer service, and professionalism. Ms. Feldt willingly gave her time and talent to assist the Apprentice Jaycees.

(L to R) Daniel Brown, Jasmine Tutt, Kyle Westfall, Nathaniel Henry, William Harris, and Melanie Cruz

Jaycee Member Nathaniel Henry was given the August Jaycee of the Month certificate for incorporating a barbershop program at the St. Paul Episcopal Church Soup Kitchen. Mr. Henry will provide haircuts to the less fortunate that eat at the soup kitchen. The Apprentice Jaycees in his Electrical Theory class were there to help him celebrate his award.

Community Development Sin Yi presented certificate of appreciation to volunteers that assist the Apprentice Jaycees at the St Paul's Episcopal Church Soup Kitchen

Left to right: Katie Farris, Sin Yi, Cindy Delvin, and Terrance Wood
