

# Helping out at the Veterans Affairs Medical Center in Hampton VA

December 2015

Advisor Linda McMillian & Secretary LaShonda Pearson were on hand to help serve dessert to the veterans.

Apprentice Jaycee Sharon Apelt and her son Houston are regulars at the VA Medical Center.

Every year they bring their smiles to brighten a veteran's day.

together to enjoy events like this!**

Apprentice Jaycee  
Latasha Richardson  
and LaShonda take  
a brief moment to  
enjoy the delicious  
treats before  
heading back to  
serve more veterans.
